BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

APPLE COLLEGIATE PURCHASE AGREEMENT  
ALL COLLEGES  
(Renewal Option)

THE CHANCELLOR

REPORTS

that in Board Report #28026 dated May 3, 2007, the Board approved and authorized the Chairman to enter into Apple's Master Education Purchase Agreement which is required by Apple for all of their education customers in order to receive the educational discount for the purchase of Apple products; and

that it was agreed that unless either party provides written notice to the contrary to the other party not less than thirty (30) days before the expiration of any renewal term, the agreement shall be renewed annually for a one (1) year period; and staff recommends acceptance of this renewal option; and

that the purchase of Apple computers, software and maintenance services is based on receiving an academic discount directly from the manufacturer for twelve (12) months upon execution of the Agreement ; and

that the estimated purchase amount would not exceed \$245,000 in computer software, etc. under the Master Education Purchase Agreement for the period May 1, 2008 through May 1, 2009; and

that this computer equipment , service and maintenance agreement renewal is exempt from the District competitive bidding requirements; and

that the Office of MWBE Contract Compliance has reviewed the above referenced purchase agreement and has determined that this is an extension of Apple's Master agreement and as a sole source transaction, it is therefore recommended that the previous waiver from compliance with the Board approved Participation Plan be continued.

THE CHANCELLOR
