

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

States Attorney's - Continuing Legal Education Seminars
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that once a month beginning February to May, the 800 member association of the States Attorney's office is fulfilling a state mandate of continuing education by achieving a minimum of 4 CLE's (Continuing Legal Education Credits). The credits are in the area of professionalism, diversity issues, mental illness, addiction issues, civility, and legal ethics. In addition to the seminars, the Business & Industry Department contracted McNeil Consulting Firm and Attorney Karim Dure to customize "Diversity Training" workshops to present to two pilot groups of 25 attorneys over a two day period in May. The Professionalism Commission, responsible for approving all courses and activities in the area of professional responsibility, has granted approval for Malcolm X College to sponsor this continuing education series.

Respectfully submitted,

Wayne D. Watson
