BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

RICHARD J. DALEY COLLEGE
Dr. Vali Siadat, Mathematics Professor Winner of Mathematical
Association of America (MAA) Award

THE CHANCELLOR

REPORTS that Dr. Vali Siadat, Mathematics professor at Daley College is the winner of the Mathematical Association of America Deborah and Franklin Tepper Haimo 2008-2009 Award for Distinguished Teaching of Mathematics.

that the Mathematical Association of America (MAA) is the largest mathematics organization in the US comprising faculty from two-year and four-year colleges and research universities. The Deborah and Franklin Tepper Haimo Award is the highest teaching excellence award the organization bestows on individual mathematicians of the highest teaching caliber.

that receiving this award will place Dr. Vali Siadat in the company of other award winners in the past from such distinguished institutions as MIT, University of Chicago, University of California, and other eminent institutions in the U.S.

that the award presentation will be held at the Joint Mathematics Meeting in Washington, DC, in January 2009.

Respectfully Submitted,

Wayne D. Watson
Chancellor
