

**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508**  
**County of Cook and State of Illinois**

**RICHARD J. DALEY COLLEGE**  
**Participates in Employee Appreciation Day at Electro-Motive Diesel**

**THE CHANCELLOR**

**REPORTS** that on September 3, 2008, Richard J. Daley College participated in Employee Appreciation Day at Electro-Motive Diesel Company to disseminate information pertaining to the manufacturing technology program, and to explore the opportunity of having face to face communication with employees on how Daley College can assist them in improving their existing skills inventory.

that over 1200 employees were present at the event. Electro-Motive Diesel (EMD) is one of two U.S. original equipment manufacturers of diesel-electric locomotives. Headquartered in LaGrange, Illinois, with additional facilities in London and Ontario.

Respectfully Submitted,

Wayne D. Watson  
Chancellor
