that from September 15, 2008 to October 15, 2008, the Cultural Diversity Committee and Office of Student Services hosted a Hispanic Heritage Month Program. The event was celebrated through films, discussions, and art work; and

that the celebration included presentations from the Social Science and Communications and Fine Arts (CFA) faculty: Dr. Cranston Knight, Gabriella Muralles-Ball, Dr. Athena Porter and Khadi King who coordinated weekly discussions regarding Latin inspired movies. Also, the Hispanic art of Betty Heredia was presented in the President's Foyer and palm cards from Kennedy King College's Spanish immersion preschool program were distributed. Students and members of the community participated in the program.
