Malcolm X College Study Abroad Program-China  
**MALCOLM X COLLEGE**

**THE CHANCELLOR**

**REPORTS**

that Malcolm X College is the proud recipient of a \$1000.00 donation provided by Melinda Gordon. Ms. Gordon strongly believes in the value of cultural exchange and education through language study and travel. Ms. Gordon has provided this donation to alleviate some of the financial burden students may experience as they prepare for travel. These funds will be utilized specifically to offset various costs related to Malcolm X College students who will be participating in the study-abroad program to China.

that Professor Rong Lin (Communication and Fine Arts Faculty) has played an instrumental role in raising additional funds to assist students with this endeavor. In addition, Eddie Phillips (Assistant Director, Financial Aid and Scholarship Chair) and Christopher Stinson (Executive Director, Business & Administrative Services) have assisted with establishing the fund with the CCC Foundation to secure all funds raised and donated. Funds that have not been utilized through this initiative will potentially be available as scholarship funds through the CCC Foundation.

Respectfully submitted,

Wayne D. Watson  
Chancellor
