OLIVE-HARVEY COLLEGE CELEBRATES HISPANIC HERITAGE MONTH

THE CHANCELLOR

REPORTS that Olive-Harvey College Student Services celebrated Hispanic Heritage Month from September 15 – October 30, screening films of different genres weekly from Spain, South America, Central America and a documentary about being Puerto Rican. The celebration of the month was extended to include the Celebration Dia de Muertos (The Day of The Dead) on which the Visual and Performing Arts Department hosted an opening reception for the exhibit “Altars: Dia de los Muertos”. This exhibit was conceived to highlight Hispanic Culture in the USA and as the closing event for national Hispanic Heritage month.
