**OLIVE-HARVEY COLLEGE LAMBDA IOTA CHAPTER  
OF PHI THETA KAPPA ATTEND ILLINOIS REGIONAL CONFERENCE**

**THE CHANCELLOR**

**REPORTS** that Phi Theta Kappa Lambda Iota Chapter attended the Illinois regional conference in Peoria, Illinois, on October 9 - 12, 2008, hosted by Illinois Central College. The Lambda Iota Chapter held a forum entitled, "Phi Theta Kappa Servicing Your World." The presentation was designed and presented by the chapter President, Shante Booth, and the Vice-president of Scholarship, LaMaura Williams; and

that the forum was well attended and received positive feedback. Senior Faculty Advisor, Dr. Addie Davis, reported that during the advisors' roundtable positive comments and accolades were given by advisors who attended the session. Another Illinois regional chapter made duplicates of the handouts and passed them out during one of the general sessions; and

that in summary, as reported by Prof. Austin Ferguson who was also in attendance, the presentation was well-organized, professional, enriching, interactive, and collaborative.

Respectfully submitted,

Wayne D. Watson  
Chancellor
