BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

WYCC-TV Super Jib w/remote head
Stanton Video Services, Inc

THE CHANCELLOR

REPORTS

that there is a need to purchase a Triangle Super Jib w/Remote Head and associated operating equipment for use in the WYCC studio, Kennedy-King College Theatre and Media Communications program. The acquisition of this equipment allows WYCC to add an expected level of professionalism to productions, with a floating/flying camera perspective not attainable through floor-mounted cameras. This will be immediately integrated into three upcoming City Colleges of Chicago Town Hall meeting productions where students will also be trained in the operation of this standard piece of studio equipment; and

that Stanton Video Services, Inc., Phoenix, AZ. is the exclusive manufacturer and distributor for this jib and associated support equipment and has provided a proposal to provide the equipment at a cost of \$18,900;and

that this sole source purchase of equipment is exempt from the District's competitive bidding procedures as it is only procurable from one source; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced WYCC-TV heavy equipment purchase and since this equipment comes from a sole manufacturer and since there are no certified MBE or WBE vendor manufacturers and since Stanton Video Services will be using MBE and WBE vendors as indirect participants, it is recommended that they be deemed in compliance with the Board approved Participation Plan.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorize the purchase of a Super Jib w/remote head from Stanton Video Services, Inc., Phoenix, AZ. in the amount of \$18,900 for WYCC -TV.
