

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

Supplemental Security Service
Truman College
(Ratification)

THE CHANCELLOR

REPORTS

that Administrative Services, working with Truman College, seeks approval to provide ratification payment to McCoy Security Services for supplemental security protection services for exterior parking lots in an amount not to exceed \$28,423.96; and

that due to the sudden closure of Truman's parking facility in September, 2007, while the Wilson Yard Redevelopment Project was beginning, Truman administration needed to identify alternate parking facilities for students and faculty. An agreement with the Chicago Park District allowed for overflow parking at the Wilson lakefront Parking Lot from 7:00am until 11:00 pm weekdays and 7:00am to 4:00pm Saturdays. At the time, Truman security staff was not staffed to handle the additional security coverage required in that remote location and it was imperative that the safety and security of the District's students and faculty be maintained: and

that phone bids were taken to ensure the safety and well being of our students and faculty until the job could be competitively bid or Truman's security division could be adequately staffed: and

that three companies were solicited for pricing; McCoy Security, Executive Protection Services and RJB Properties and McCoy Services had the lowest hourly rate of the three at \$20.95, providing unarmed uniformed security personnel in a visible marked security vehicle at the above listed times; and

that services were provided by McCoy Security from September 10, 2007 until the last day of the semester, December 15, 2007, serving only until a vendor could be identified through a competitive solicitation; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced professional service ratification agreement that involves security services for the remote parking facility at Truman College and McCoy Security Services, a certified MBE is in full compliance with the M/WBE goals and is therefore in compliance with the Board approved Participation Plan.

THE CHANCELLOR

RECOMMENDS that the Board authorize the payment to McCoy Security Services, Chicago, IL for the amount not to exceed \$28,423.96 for supplemental security services from September 10, 2007 to December 15, on behalf of Truman College external parking facility.
