**OLIVE-HARVEY COLLEGE NURSING STUDENTS SECOND LARGEST  
GROUP OF ATTENDEES AT NATIONAL NURSES CONFERENCE  
LARGEST IN STATE**

**THE CHANCELLOR**

**REPORTS** that the Olive-Harvey Student Nursing Association Chapter attended the 57th annual National Student Nursing Association (NSNA) Convention in Nashville, Tennessee on April 14<sup>th</sup> thru April 19<sup>th</sup>, 2009. There were 32 students from Olive-Harvey College and 2 faculty advisors; Professor Bertha Paul and Professor Rubie Elkins.

that Olive-Harvey College had the 2nd largest group of students in attendance from across the country, and was recognized by Illinois State Coordinators of the NSNA for its exceptional growth and success in the program's short time in existence. The students attended workshops, NCLEX reviews, break-out-sessions on various nursing topics, and participated in the legislative process. In addition, Professor Bertha Paul and Professor Rubie Elkins attended faculty development workshops on innovative teaching strategies in nursing education.

that one of Olive-Harvey's students, Latricia Burwell, was asked to sing the national anthem at the opening ceremony after being heard at the Mid-Year Conference in November 2008. With her excellent performance, she not only put Olive-Harvey College on the map, but also elevated the notoriety of CCC.

Respectfully submitted,
