RECEIVED AND PLACED ON FILE – BOARD OF
TRUSTEES COMMUNITY COLLEGE DISTRICT NO. 508
DECEMBER 3, 2009

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

Tuberculosis Study Grant
Harold Washington College

THE CHANCELLOR

REPORTS that Dr. Farah Movahedzadeh (Co-PI, Instructor of Biology) received a grant of \$100,000 from the Chicago Biomedical Consortium to fund her project, entitled, “Virulence and Latency Regulation in M. Tuberculosis,” and;

that her research partner, Dr. Scott Franzblau, will work through University of Illinois at Chicago’s Institute for Tuberculosis to complete the research project.

Respectfully submitted,

Deidra J. Lewis
Interim Chancellor
