Elastic Artist Presents Stunning Work
Harold Washington College

THE CHANCELLOR

REPORTS that artist Johanna Silva gave a lecture and held a workshop about her *Elastic Phenomena* at Harold Washington College on October 29, 2009, and;

that Ms. Silva's work includes paintings and watercolors from the artist's exploration of layering and connecting colorful circular forms that fluctuate between micro and macro levels of perception, and;

that Ms. Silva's work has been shown at various venues in Chicago including the University of Chicago, Hyde Park Art Center, South Shore Cultural Center and Looptopia, and;

that Ms. Silva earned her Masters in Fine Arts in Painting from the School of the Art Institute of Chicago and is currently a faculty member in the Department of Visual and Performing Arts at Wright College.

Respectfully submitted,

Deidra J. Lewis
Interim Chancellor
