**MAP RALLY AT STATE CAPITAL IN SPRINGFIELD, IL**  
**OLIVE-HARVEY COLLEGE**

**THE CHANCELLOR**

**REPORTS**

that Olive-Harvey College Student Government Association organized a grass-root effort to travel to Springfield, IL on October 15, 2009 to help rally for reinstatement of the MAP funds. A group of 24 concerned Olive-Harvey students (the largest group of students from a City College) left from Chicago at 8:30 a.m. to make the trip to Springfield to gather with other students from other colleges/universities in Illinois. The Olive-Harvey students showed their rallying spirit by sharing their insight on how crucial the Illinois state aid was to their continued pursuit of their education. The presence of OHC students, along with over 2,000 other students, resulted in the legislation approving appropriations for MAP funding for the next academic semester.

Respectfully submitted,
