MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that Malcolm X College's Cultural Diversity Committee presented a series of events designed to educate students on various aspects of Asian-American culture. During the week of April 27-April 30 the Cultural Diversity Committee hosted a series of lectures, spoken word performances, cultural fashion exhibits, film screenings, and a lecture/question-and-answer session with a local independent film director. The events were attended by students and staff and received positive feedback. The Cultural Diversity Committee is excited about hosting similar events designed to educate students about other cultures in the future.

Respectfully submitted,
