that on April 18, 2009, The Basic Nursing Assistant Program students took the Illinois Nurse Assistant Competency Evaluation Examination. The results were disclosed in May and of the 30 students enrolled in the summer program we received a 99.9% pass rate. Due to a continued Partnership with Chicago Jobs Corps our enrollment and student success rates for employment remain high. This vital partnership consistently enrolls one third of our student population each semester.

Respectfully submitted,

Wayne D. Watson  
Chancellor
