MALCOLM X COLLEGE IN CONJUNCTION WITH THE WESTSIDE MINISTERS
COALITION JOB FAIR
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that Malcolm X College hosted and partnered with the Westside Ministers Coalition to conduct the ‘Spring 2009 Job Fair’ on March 19, 2009. A total of 60 employers eagerly sought students and community residents for employment opportunities. Of the over 1000 participants, many reported they were able to acquire valuable information and services. Prior to the Job Fair, on March 12, 2009, a Community Resource Fair was hosted at Malcolm X College in conjunction with the Westside Ministers Coalition to prepare the job seekers. 600 participants were interviewed and pre-screened for their job readiness. Job seekers who were not able to obtain employment at the fair were referred to the Career and Transfer Center at Malcolm X College in order to evaluate their needs further. Malcolm X College looks forward to working collaboratively with the Westside Ministers Coalition in the near future.

Respectfully submitted,
