June 11, 2009 – District 508 Board Meeting
District-Wide Faculty Council Report
Submitted by Keith McCoy,
Secretary of the Faculty Council of Chicago City Colleges

Good morning, Chairman Tyree, Chancellor Watson, members of the Board, Officers of the District and all others present.

Faculty council has revised its constitution. As soon as the executive faculty council has further reviewed the constitution with Academic Affairs, it will be mailed to each faculty member and sent to each college administration. Hopefully, a link to a copy can be placed on the CCC website.

Next week, on Tuesday, June 16, executive faculty council will have a meeting and planning session to discuss the revision of the PAC form and clarification of the course approval process. Other topics that will be discussed include the faculty council retreat in August, foundational studies, and the chairs leadership symposium.

Over the summer, while faculty are on break, faculty council stands ready to support the faculty, students, and administration in whatever academic needs CCC may have.
