**County of Cook and State of Illinois**

**FRENCH CLUB HELPS IMMIGRANTS**  
**TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS** that the Francophone Club of Truman organized a toiletry charity drive, donating toiletry items like toothbrushes, shampoo, and diapers to the Pan-African Association, a nonprofit that helps African refugees and immigrants integrate into American society by providing tools for health and self-sufficiency; and

that the association also helps the African community maintain its cultural heritage through music, art, and dance and culinary and literary skills.
