**County of Cook and State of Illinois**

**LAB SCHOOL FAMILY POTLUCK PRODUCES COOKBOOK**  
**TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS** that more than 100 people attended the Child Development Lab School's Multi-Cultural Potluck July 24; and

that the potluck is the Lab School's version of commencement exercises, a way to say goodbye to roughly half the students who will go on to kindergarten this fall; and

that it is also a way to celebrate the cultural and culinary diversity of Lab School families, whose contributions to the potluck were so good that lab school staff are having them printed in a cookbook.

Respectfully submitted,

Deidra J. Lewis  
Interim Chancellor
