BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

SERIES OF EARTH MONTH ACTIVITIES PLANNED FOR APRIL
TRUMAN COLLEGE

THE CHANCELLOR

- REPORTS** that the Truman College Thinks Green Initiative is a series of programs designed to promote environmental stewardship; and
- that administrators have already toured the Chicago Center for Green Technology (CCGT), a city teaching facility on "green" construction and environmental protection and management; and
- that future events will include an Earth Day Festival April 2, during which participants will learn about environmental projects, accomplishments, upcoming events, and special programs through a mixture of printed materials, interactive displays, and hands-on demonstrations provided by environmental organizations from all across the city; and
- that the college is also creating an Earth Month poster that will highlight various activities planned by organizations throughout Chicago during April.

Respectfully submitted,

Wayne D. Watson
Chancellor
