CONTINUING EDUCATION WINS ELEVATOR GRANT
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Dean of Continuing Education Nancy Kramer and college grant writer Sharon Todd have won the Continuing Education Department a \$7,500 elevator grant from the Coleman Foundation to develop a home day care business program; and

that their proposal was one of 24 nationwide to be presented during the elevator grant session January 5 at the annual conference of the National Association for Community College Entrepreneurship in Anaheim, CA; and

that “elevator” refers to the guidelines for the presentation, i.e. how would you sell your proposal if you were stuck in an elevator with a potential funder and you only had a minute or two to make your pitch?

Respectfully submitted,

Wayne D. Watson
Chancellor
