**DEAN OF CONTINUING EDUCATION AND DEAN OF ADULT EDUCATION PRESENT  
AT THE ASSOCIATION OF ADULT AND CONTINUING EDUCATION ANNUAL  
CONFERENCE, DENVER, COLORADO  
MALCOLM X COLLEGE**

**THE CHANCELLOR**

**REPORTS** that Dean Lynette Stokes-Wilson (Adult Education) and Dean Katonja Webb (Continuing Education) of Malcolm X College presented a session at the annual conference of the American Association for Adult and Continuing Education in Denver, Colorado; and

that the presentation highlighted the collaboration between the two departments in an initiative designed to create career pathways from Adult Education into postsecondary education and, ultimately, into careers in Allied Health; and

that the conference theme, *Creating Your Future Within Our Future*, served as a platform to generate thought-provoking dialogue regarding educational issues facing adult learners, ranging from engaging adults in traditional college classes, to identifying what motivates the GED student, to guiding adult learners toward self-efficacy, and understanding the returning adult student experience.

Respectfully submitted,

Wayne D. Watson
