January 7, 2009 – District 508 Board Meeting  
District-Wide Faculty Council Report  
Submitted by Keith McCoy,  
President of the Faculty Council of City Colleges of Chicago

Good morning, Chairman Tyree, Chancellor Watson, members of the Board, Officers of the District and all others present.

Welcome back to a New Year and hopefully a productive semester. Toward the end of January, district-wide foreign language faculty will meet, discuss and structure foreign language curriculum in preparation for the new foreign language policy that will go into effect beginning fall 2009. Items still on the agenda for faculty council include textbook cost concerns, faculty use of technology such as Blackboard, and strategies to engage faculty, including being more of a part of shared governance. Have a great day!
