Interconnection Grant (PD# 100405)

WYCC-TV has received notification of funding of \$15,864 for the Interconnection Grant from the Corporation for Public Broadcasting. This grant supports the basic operation of WYCC-TV and the performance period for the grant project is from October 1, 2009 until September 30, 2010.

GLISTEN (PD# 100403)

Harold Washington College has received a subaward of \$45,000 from the National Center for Science and Civic Engagement as part of the Chicago Great Lakes Collaborative. The project will encourage and support students in science and engineering pathways to transfer to local universities and complete college degree programs. The project will incorporate Great Lakes environmental challenges into course curriculum. The performance period for the first year of this project is from January 1, 2010 through December 31, 2010.

Chicago's Healthcare Careers Pathways Partnership (PD# 100406)

The National Council of La Raza (NCLR) has received an award from the US Department of Labor and is issuing a subcontract to Wright College for \$341,958 for the first year of a three project. The three year total will be \$1,025,874. The project provides tuition and training costs for students to enter healthcare career pathways. The performance period for the first year of the project is from March 1, 2010 through February 28, 2011.

Cooperative Work Study (PD# 100407)

Wright College has received funding of \$9,120 from the Illinois Board of Higher Education to support cooperative work study programs by paying a portion of the salaries that students earn while in their internship positions in business and industry. The performance period for this project is from January 26, 2010 until June 30, 2011.

Science Education for Civic Engagement (PD# 100409)

The National Center for Science and Civic Engagement has awarded a subcontract to Malcolm X College of \$3,000 to be used for faculty development and student learning opportunities in science education. The performance period for this project is from January 1, 2010 through January 31, 2012.

CIMA Technology Center (PD# 100411)

Wright College has received an award of \$50,000 from the Illinois Community College Board for a program that will provide internships and training programs in A+ Certification (computer repair and troubleshooting) and CompTIA Network + Certification. The performance period for this project is from January 1, 2010 through June 30, 2010.

Nursing Program of Study - Daley College (PD# 100412)
