County of Cook and State of Illinois**

**DEPARTMENT OF REVENUE/BUREAU OF ELECTRICITY
DEMOLITION AND INSTALLATION OF NEW STREET LIGHTING
ALONG WENTWORTH AVENUE
OLD KENNEDY KING CAMPUS**

THE CHANCELLOR

REPORTS

that it is necessary to utilize the services of the City of Chicago Bureau of Electricity to disconnect and remove old light fixtures mounted to the Old Kennedy King underpass, and install new 30 foot Aluminum Davit light fixtures along both sides of Wentworth avenue once the demolition is completed; and

that the installation of new light fixtures along Wentworth Avenue is separate and apart from the Kennedy King Demolition project and is not included in that contract; and the Bureau of Electricity is the only agency authorized to remove and install the new light fixtures; and

that approval is requested to pay the Chicago Department of Revenue on behalf of the City of Chicago Bureau of Electricity in the amount of \$164,500; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced installation by a City agency and has found it exempt from MBE/WBE compliance with the Board approved Participation Plan.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order to the Chicago Department of Revenue on behalf of the City of Chicago Bureau of Electricity in order to provide lighting demolition and installation services in an amount not to exceed \$164,500.
