HAROLD WASHINGTON COLLEGE

THE CHANCELLOR

REPORTS that Harold Washington College Adjunct Professor of Art Jennifer Greenburg signed copies of her first monograph entitled “The Rockabillies,” and;

that the event took place at Chicago’s Museum of Contemporary Art on Tuesday, January 26, 2010, and;

that “The Rockabillies” is a series of photographs, featuring members of Jennifer’s own community in Chicago and across the country who placed great importance on the aesthetic of the 1950’s, and;

that as a photographer, Professor Greenburg’s interest in vintage photos comes from her family who cherished and celebrated its history with snapshots and artifacts, which captivated her since childhood.

Respectfully submitted,
