**REPORTS**

that on February 25, 2010, the Office of Student Financial Aid held its annual Financial Aid Awareness Day. A total of 264 students participated in the event and met with representatives from the Illinois Student Assistance Commission (ISAC) and the City Colleges of Chicago (CCC) Office of Student Development. ISAC was present to assist and share information with students and parents regarding state grant programs and scholarship opportunities. A number of students (215) successfully completed the 2010-2011 Free Application for Federal Student Aid (FAFSA) process, 71 students applied for CCC scholarships, and 54 students met with Workforce Investment Act (WIA) representatives.

**FURTHER**

that according to evaluation forms completed by attending students, 90% rated the Financial Aid Awareness Day as 'excellent' in the areas of knowledgeable staff, customer satisfaction, and event organization. The Financial Aid Awareness Day is one of many efforts to promote early completion of the 2010-2011 FAFSA.
