ASIAN AMERICAN COMMUNITY ORGANIZATION ESL STUDENTS TOUR
HEALTHCARE BRIDGE PROGRAMS
Malcolm X College

THE CHANCELLOR

REPORTS

that Malcolm X College hosted Pui Tak, an Asian American community resource organization, and their English as a Second Language (ESL) students. The purpose of the visit was to make these students aware of the College's healthcare bridge program and provide a campus tour. The objective of the visit and tour was to recruit the students to be the first cohort of Pui Tak ESL graduates to enter the Certified Nursing Assistant (CNA) program and eventually broaden their academic goals to pursue acceptance into other Malcolm X College healthcare professional programs.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
