CLUB HOSTS GIFT CARD DRIVE FOR WOUNDED VETERANS
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that the Veterans United Advocacy Club (VUAC) at Truman hosted a gift card drive through March to help wounded service members and their families now living and recuperating at Fisher House at Walter Reed Medical Center in Washington, DC; and

that students, faculty, and staff have been asked to donate cards in any amount – from stores like Wal-Mart, Target, Best Buy, and Circuit City – that service members can use to buy electronics for use during their recovery.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
