County of Cook and State of Illinois**

**WYSE ACADEMIC CHALLENGE COMPETITION  
WRIGHT COLLEGE**

**THE CHANCELLOR**

**REPORTS**

that Wright College hosted a Worldwide Youth in Science and Engineering (WYSE) Academic Challenge Regional Competition on Friday, February 5, 2010. Ninety students from seven Chicago high schools (Benito Juarez Community Academy, De LaSalle Institute, Luther High School North, Resurrection, St. Ignatius College Prep, Providence-St. Mel, and St. Francis de Sales) competed. In Division Unlimited, the first place trophy was awarded to Benito Juarez Community Academy. In Division 1500, first and second place trophies were awarded to St. Ignatius and Resurrection high schools, respectively. In the smallest division 300, the first-place trophy went to Providence-St. Mel and second place was won by Luther North high school. First, second, and third place medallions were awarded to individual competitors in each of seven academic categories. Teams and individuals placing in first and second place in each division will advance to a Sectional competition at North Central College in Naperville on March 18th. The office of the Dean of Instruction coordinated this event.

Respectfully submitted,

Deidra J. Lewis  
Interim Chancellor
