REPORTS **THE CHANCELLOR**

that proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

GRANTS (Total Value \$25,000)

Illinois Home Weatherization Assistance Program Contractor Training (IHWAP) (PD# 100803)

The Illinois Community College Board has awarded \$25,000 to Wright College for training contractors working in or entering into the Illinois Home Weatherization Assistance Program. This funding will actually be provided as a grant from the Illinois Department of Commerce and Economic Opportunity via an Intergovernmental Agreement with the Illinois Community College Board.

Benefit to the City Colleges of Chicago: This funding will allow the District to provide required training to Chicago contractors so that they will have access to federal funds to support weatherization programs in Chicago.

Accountability: Dr. Victoria Cooper, Director of Environmental Technology at Wright College, will serve as Project Director and will assume all fiscal and programmatic responsibility for the project.

Other Information: The performance period for this project is from July 1, 2010 to June 30, 2011. The grant includes funding for training stipends of \$1500 each (plus travel expense reimbursement) for two Wright College staff members, John Porterfield and Cheryl Pomeroy, to attend the DCEO required training during August in Champaign, Illinois.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees approve acceptance of any gifts, grants or other funding which may be forthcoming from these proposals and authorize the Chancellor, the Vice Chancellor for Development, or the District Director for Grants and Contracts to serve as *authorized representative* or *official representative* of the District in the submission of proposals for funding and to execute all documents for the acceptance of this funding or these gifts and the operation of the funded projects; said acceptance to be subject to the terms and conditions set forth by the grantor, including specified subcontracts and purchases, and said funds not to be expended by the Board for any other purposes.

Respectfully submitted,

Cheryl L. Hyman
