**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois**

**MRI TRAINING AGREEMENT  
DIAGNOSTIC MEDICAL IMAGING PROGRAMS  
WILBUR WRIGHT COLLEGE**

**THE CHANCELLOR**

**REPORTS**

that there is a need for a Training Agreement for 25 students enrolled in the Magnetic Resonance Imaging Program at Wright College to receive relevant instruction in order to earn the CEUs necessary to maintain their national certification; and

that it is necessary to obtain a training agreement with Advanced Imaging Specialists, 5320 W. Devon Ave, Chicago, Illinois 60646 for the period September 1, 2010 through April 30, 2011 to provide instruction to the students enrolled in the program; and

that individual students pay \$2,200 tuition for the lecture part of the program and an additional \$1000 for the optional clinical component. Ninety eight percent of the program participants successfully complete the certification training and earn the CEUs necessary to maintain their license; and

that in Board Reports # 28251 and 29017 adopted respectively on August 9, 2007 and October 2, 2008, the board approved Advanced Imaging Specialists (AIS) to provide the MRI Training Program to Wright College for a fee of \$15,000 (\$100 per hour of instruction); and

that Advanced Imaging Specialists (AIS) has staff with the necessary credentials and certifications consistent with the requirements of the American Registry of Radiologic Technologists and the American Society of Radiologic Technologists; and

that this professional service agreement for training is exempt from the District's competitive bidding procedures; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced training agreement and, Advanced Imaging Specialists is the owner of the curriculum and the training facilities, working directly with City Colleges students for job training, there are no opportunities to subcontract the training, is recommending this agreement be waived from compliance with the Board Approved Participation plan.

**THE CHANCELLOR**

**RECOMMENDS** that the Board of Trustees authorizes the Chairman to execute an agreement with Advanced Imaging Specialists (AIS) for an amount not to exceed \$15,000 for the period September 1, 2010 through April 30, 2011.
