ADOPTED – BOARD OF TRUSTEES COMMUNITY
COLLEGE DISTRICT NO. 508
August 5, 2010

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

GREENCORPS GRANT WILL PAY FOR BEAUTIFICATION
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Truman College has won a grant from Greencorps Chicago to re-landscape the raised courtyard on the north end of the Truman Technical Center; and

that Greencorps offers workshops, plant materials, technical assistance and educational programs to organizations working in a public space, including schools, faith institutions, libraries, public housing communities, and block clubs; and

that Truman will receive both plant materials -- seeds, vegetables, annuals, perennials, and bulbs free of charge – as well as technical assistance in the form of horticultural expertise from staff, installation and maintenance help from their job trainees, and garden materials including plants, soil, and tools; and

that Truman staff will be required to attend four consecutive 3½-hour workshops to learn about plant identification and landscape design.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
