TRUMAN COLLEGE**

THE CHANCELLOR

REPORTS that students in Evelyn Green’s College Success Seminar collected 29 pairs of glasses to donate to OneSight, a nonprofit providing glasses to those in need; and that College Success is a three-credit-hour class that focuses on improving success in college and beyond by teaching students to apply certain skills, including time management, successful study habits, and academic planning; and that many first-year students are required to take the course, as are some transfer students, and those whom advisors have enrolled.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
