COUNTY OF COOK AND STATE OF ILLINOIS**

**OLIVE-HARVEY COLLEGE CHROMA ART CLUB &
PHI THETA KAPPA STUDENTS OBSERVE EARTH DAY THROUGH CLEAN-
UP OF OHC WETLANDS**

THE CHANCELLOR

REPORTS that on Thursday, April 22, 2010 Olive-Harvey College Chroma Art Club and Phi Theta Kappa members attended a wetland clean-up for Earth Day. Olive-Harvey College faculty advisor, Professor M. Carla Carr was joined by 15 – 20 students for the activity. OHC Vice President Kelly O'Malley offered her assistance during the clean-up as well.

that this is the second year for the event in which students and staff learn to become better stewards of our land as a vital resource. As part of the Earth Day observance architect Julian Dawson lead a discussion on the importance of reducing the nation's dependence on oil. The OHC awareness campaign surrounding these issues is growing and success in the student's interest in such a short time has been encouraging.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
