County of Cook and State of Illinois**

**RADIOGRAPHY PROGRAM STAFF AND STUDENTS PARTICIPATE
IN ILLINOIS EDUCATORS CONFERENCE
Malcolm X College**

THE CHANCELLOR

REPORTS

that the Malcolm X College Radiography Program students and staff participated in the 75th Annual Illinois State Society of Radiologic Technologists' Educators Conference and Student Educational Bowl in Normal, IL. During the conference students and staff learned more about educational and job market trends for radiographers in the state of Illinois. These workshops were also attended by representatives from other professional organizations, such as the Illinois Emergency Management Agency (IEMA), the American Registry of Radiologic Technologists (ASRT), and the Joint Review Commission of Education in Radiologic Technology (JRCRT).

FURTHER

that the Malcolm X College radiography students competed in the Illinois State Society of Radiologic Technologists' Educational Bowl against students from fifteen other radiography programs from across the state. The students of Malcolm X College Radiography Program won second place.

Respectfully submitted,

Cheryl L. Hyman
