**EMPLOYEE OF THE MONTH, IMMEDIACY AWARD WINNER  
TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS** that Imelda Duyungan of Nursing is the April Employee of the Month, selected for being helpful, patient, and possessed of a "vast" understanding of her subject matter; and

that she was also credited with being well prepared, thorough, timely, and armed with various teaching approaches in case students don't understand in a certain way; and

that other nominees included Stephanie Roberts of Art Department, for providing a safe and clean environment for students; and

that the the Immediacy Award, given on the spot for exemplary service, went to Jaroslaw Listopad, computer lab manager, for helping Adult Education get the CASAS eTest (computer-based test) up and running in time for an ICCB-mandated pilot.

Respectfully submitted,
