**Phi Theta Kappa Goes to Florida Convention
KENNEDY-KING COLLEGE**

THE CHANCELOR

REPORTS

that the Phi Theta Kappa Honor Society of the Two Year College, Lambda Rho Chapter of Kennedy-King College will be attending the 92nd Annual Convention in Orlando, Florida in mid-April. It has been well over four years since the chapter has had an opportunity to participate in a national convention to regain its 5-Star status.

that the honor students attending this year have all achieved academic excellence by maintaining a cumulative GPA of 3.5 and higher. We are delighted that Ms. Gwendolyn Burrows, Ms. Kendra Crawford, Mr. Jerold Dennis, and Mr. Marlon Gilbert will be representing KKC. The KKC contact advisor, Professor Meryl L. Junious has a positive outlook that Lambda Rho Chapter will again attain its 5-Star status at PTK National HQ.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
