BIOLOGY CAREER SEMINAR SERIES
Malcolm X College

THE CHANCELLOR

REPORTS

that Malcolm X College hosted four days of seminars and presentations titled, Biology Career Seminar Series. The series was designed to acquaint Malcolm X College students with the many career paths possible with a strong background and/or undergraduate degree in the biological sciences. This series was hosted by the Malcolm X College Biology Club and its faculty advisor, Professor Alfred McQuarters.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
