**STUDENTS TOUR UNIVERSITY OF ILLINOIS CAMPUS**  
**Malcolm X College**

**THE CHANCELLOR**

**REPORTS**

that on Friday, March 12, 2010, the Malcolm X College Career & Transfer Center in collaboration with TRiO Student Support Services took eight students to the University of Illinois at Champaign-Urbana ACES (Agriculture, Consumer, and Environmental Sciences) Open House and the Colleges of Engineering and Veterinary Sciences. The purpose of the college tour was to give Malcolm X College students first hand experience and exposure to a four year university campus.

**FURTHER**

that while on campus, Malcolm X College students engaged in transfer advising workshops, campus life activities, and visited the Las Casa and African American Cultural Center. The Malcolm X College students dialogued with current University of Illinois students of color, and gave first hand testimonials regarding the curriculum, student services, housing, and adjustment to campus life.

Respectfully submitted,

Cheryl L. Hyman  
Chancellor
