**PHYSICIAN ASSISTANT PROGRAM RECEIVES EXCELLENCE THROUGH DIVERSITY  
AWARD FROM NATIONAL MEDICAL ASSOCIATION  
Malcolm X College**

**THE CHANCELLOR**

**REPORTS**

that the Malcolm X College Physician Assistant (MXCPA) program has been honored by the Physician Assistant Education Association (PAEA); and

that this national organization representing Physician Assistants educational programs across the nation, awards the Excellence Through Diversity Award annually. This national honor recognizes programs that foster and implement diversity in program faculty, staff and student body; and

that as the single honoree of the award this year, MXCPA demonstrated the high performing diversity of all its constituencies – faculty, staff, students and patients, successful outreach to underserved populations, and leadership and advocacy to serve minority, disadvantaged and indigent communities. Previous year winners included Physician Assistant programs at the University of Texas – Pan American and the University of Washington MEDEX.

Respectfully submitted,

Cheryl L. Hyman  
Chancellor
