OLIVE-HARVEY COLLEGE**

THE CHANCELLOR

REPORTS

that Olive-Harvey College (OHC) hosted a successful Involvement Carnival and Student Services Fair on September 14, 2010. The purpose of the activity was to expose the student body to the services and programs available through Student Services; and

that additionally, the OHC Center for Student Engagement encouraged student clubs and organizations to participate in the fair in order to solicit more student involvement in campus events. As a result, many student clubs and organizations were able to recruit over 100 students to become members and attend future meetings. Plus, many students were able to connect with Division of Student Services staff in order to know where to find the support and the assistance they may require.

Respectfully submitted,

Cheryl L. Hyman
