**RECEIVED AND PLACED ON FILE – BOARD OF  
TRUSTEES COMMUNITY COLLEGE DISTRICT NO. 508  
NOVEMBER 4, 2010**

**BOARD OF TRUSTEES COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois**

**STUDENT SELECTED FOR NATIONAL COMMUNITY COLLEGE AEROSPACE  
SCHOLARS PROGRAM  
Wright College**

**THE CHANCELLOR**

**REPORTS**

that Dalia Yousif, Wright College high honors student and a member of PTK, was selected by the National Community College Aerospace Scholars, after a very competitive nationwide selection process, to participate in a team project directed by NASA engineers at the Johnson Space Center in Houston, TX; and

that on October 20, 21, and 22, 2010 Dalia Yousif will participate in a 3-day, hands-on project in which students will research the possibility of a mission to Mars and then team up with other participants to compete for a Martian rover contract in which NASA scientists and engineers will lead each team. In addition, participants will attend engineer, scientist and astronaut briefings, tour the NASA facilities, and learn of NASA educational, research, and career opportunities; and

that this scholarship is funded by NASA Exploration Systems Mission Directorate and administered by Johnson Space Center.

Respectfully submitted,

Cheryl L. Hyman  
Chancellor
