THE CHANCELLOR

REPORTS

that Malcolm X College hosted the 11th Annual State of the District Conference presented by the Office of U.S. Congressman Danny K. Davis. The two-day event was kicked-off by a press conference announcing the passage of a bill that will provide funding for community mentoring and re-entry programs. Throughout the conference, Congressman Davis invited community residents and organizations to speak out on any issue and attend workshops offered by federal, state and local agencies and social service providers. Malcolm X College's partnership with U.S. Congressman Davis encourages the residents and students in the surrounding community to engage in the political process and become active citizens.
