**CREATING AND SUSTAINING A MINISTRY OF EDUCATION  
Malcolm X College**

**THE CHANCELLOR**

**REPORTS**

that Malcolm X College hosted more than fifty (50) ministers and leaders of faith-based West Side organizations to introduce City Colleges of Chicago courses and allied health and four year university transfer programs. The primary goal of the meeting was to encourage the ministers to include the attainment of education in their ministry to community residents. Materials were provided to the faith-based leaders for distribution to their congregations.

Respectfully submitted,

Cheryl L. Hyman  
Chancellor
