**GEAR UP WRAPS UP A SUCCESSFUL SUMMER
TRUMAN COLLEGE**

THE CHANCELLOR

REPORTS that GEAR UP Summer at the City Colleges of Chicago concluded recently with a "Gallery Walk" so parents and guests could see art projects created by students during the five-week program; and

that GEAR UP, Gaining Early Awareness and Readiness for Undergraduate Programs, funded by the US Department of Education, teamed with Truman, Daley, and Wright colleges this summer to offer students the chance to earn half a high school credit, spend the summer on a college campus, and learn valuable skills to help them prepare for college.

Respectfully submitted,

Cheryl L. Hyman
Chancellor
