**i-TRUMAN ONLINE REFERENCE TOOL MAKES ITS DEBUT  
TRUMAN COLLEGE**

**THE CHANCELLOR**

**REPORTS** that the college has rolled out a new information service called i-Truman; and  
  
that i-Truman is an online reference tool with answers to frequently asked questions regarding instruction, policies, and procedures and is designed to help faculty and staff help students find answers; and  
  
that the college web master has created a desktop shortcut for quick access to the tool and continues to develop this resource, adding new information daily.

Respectfully submitted,

Cheryl L. Hyman  
Chancellor
