Malcolm X College**

THE CHANCELLOR

REPORTS

that in the November 30, 2009 issue of the national trade magazine, *Community College Week*, Malcolm X College was listed as the 8th fastest growing community college in the country based on headcount enrollment comparisons from Fall 2007 to Fall 2008. This recognition is verification of the excellence in both the teaching from our faculty and the service delivered outside of the classroom by the College staff.

Respectfully submitted,

Deidra J. Lewis
