**REPORTS**

that on December 2, 2009, the Malcolm X College Child Development Lab Center, in collaboration with the Office of Student Services, hosted a Winter Wonderland luncheon for the preschool students who attend the Child Development Lab Early Education Program. Malcolm X College faculty and staff adopted a child and furnished holiday gifts of clothing and toys. The children sang winter songs for the guests; gifts were presented to each child and their family and the day's event concluded with a craft project for the children. The winter celebration highlighted Malcolm X College's generosity and commitment to the children served everyday by the Child Development Lab Center staff.

Respectfully submitted,

Deidra J. Lewis  
Interim Chancellor
